

## Pride and Humility Study Questions

The Bible frequently talks about pride and humility. Pride is most often used in a negative way and humility is always seen in a positive light. There is certainly the talk of Paul's pride in those who have turned to faith in Jesus Christ. More often, though, the Bible uses the words pride and proud referring to man's unduly high opinion of himself.

In the book of Proverbs there are seven different verses that tell us what the Biblical viewpoint on man's pride is.

Proverbs 11:2 When pride comes, then comes disgrace, but with the humble is wisdom.

Proverbs 15:25 The LORD tears down the house of the proud but maintains the widow's boundaries.

Proverbs 16:18 Pride goes before destruction, and a haughty spirit before a fall.

Proverbs 16:19 It is better to be of a lowly spirit with the poor than to divide the spoil with the proud.

Proverbs 21:4 Haughty eyes and a proud heart, the lamp of the wicked, are sin.

Proverbs 21:24 "Scoffer" is the name of the arrogant, haughty man who acts with arrogant pride.

Proverbs 29:23 One's pride will bring him low, but he who is lowly in spirit will obtain honor.

Sadly, pride is an issue for most people. Even those who seem so giving and kind to others often do it because it feels good to them. The fact that someone else benefits is a nice bonus but the one they are pleasing is themselves. As we'll see as we look into the scripture pride can be evident in a number of ways from independence to total dependence, from anger and greed to violence. Just when we think we've finally conquered it, we see it in our pride in our new found humility!

Please take a minute and ask God to show you areas where pride may be affecting your relationship with Him.
